HONOLULU, H. I., MONDAY, APRIL 18, 1898.

PRICE 5 CENTS.

All Bushmen

Use it

For Cleansing the Blood
it has no Equal.

We give below the portrait and testimonial
of Mr. Granger Ward of Brisbane, Queensland.

"Some years ago while in America I had
fever and Ague. It left me in a very weak
state and quite done up. I took some of Dr.
Ayer's Sarsaparilla and it soon put me to
rights and my strength returned. I can
safely recommend

AYER'S Sarsaparilla

to others. While in the bush of this country
I had an attack of scurvy but I soon got free
of this complaint by using the same remedy.
For cleansing the blood and for eruptions of
the skin I do not think it can be beat. All
the bushmen use it."

For Constipation take Dr. Ayer's Pills. They
promptly relieve and surely cure. Take them
with Dr. Ayer's Sarsaparilla; one aids the other.

Construction of New Harbor Slips and

Nuanu Stream to be Further Improved—Two
Senate Bills Pass Third Reading—Li-
cense Bill Under Consideration.

In the Senate this morning com-
munications from the House were
read regarding the passage of a
lution amending the Joint
res relating to Concurrent Res-
olutions; and the passage of
House Bill 59, relating to impor-
tation of goods and merchandise,
branded or boxed in such manner
as to induce people to believe that
the same were manufactured in
this Republic; House Bill 61, to
facilitate the recovery of rents;
and amendments to Senate Bill
31. Also that the House had
concurred in Senate amendments
to House Bill 32, relating to high
ways. Also that Senate Bill 34
as amended and Senate Bill 3 as
amended had passed third reading
and that the House had appointed
the Joint Public Lands Commit-
tee as a Conference Committee on
the Wide Tires Act.

Senator Holstein presented a pe-
tition from Kohala asking for an
appropriation of \$7000, of which
\$5000 is for the construction of a
road from Puaka to Mahukona
and \$2000 for a rock crusher.

Senator Baldwin from Com-
merce Committee submitted a re-
port on the License Bill, which
was taken up later.

Senator Lyman from the Public
Lands Committee submitted a re-
port recommending the items ask-
ed for Hilo by himself be inserted
in different appropriations, as fol-
lows: Wailuku bridge \$10,000,
Waiakea bridge \$5000, sewerage
Hilo street \$4000, additions to
water pipe system, Hilo, \$10,000 in
the Loan Bill; curbing and pay-
ing government sidewalk at Hilo
\$2500 in the main appropriation
bill; road to Kehena Landing
\$3000 in Senate Bill 23. The re-
port was adopted.

Senator Baldwin from the Spe-
cial Committee on Harbor Im-
provements reported favorably on
the item of \$95,000 for Honolulu
in the Loan Bill saying:

"The government propose with
the appropriation to continue the
work of dredging out slips on the
Waikiki side of the harbor, and
also to construct a long wharf on
the Ewa side of the harbor.

"The committee will report later
on more fully in regard to the
latter wharf and the wisdom of
constructing it.

"In the meantime, however, we
would recommend the Senate to
pass the item of \$95,000 for har-
bor improvements, for we are con-
vinced that there is urgent need of
expending at least this amount
during the period toward extend-
ing and increasing the wharf ca-
pacity of the harbor in order to
meet the requirements of our
growing commerce.

"It often occurs now that two,
or even four, foreign steamers that
are sailing on a scheduled time
table arrive at this port at one
time, and on account of the limited
number of wharves suitable for
large steamers are obliged to wait
for several hours before they are
able to obtain a wharf. For this
reason we would urge on the gov-
ernment the importance of push-
ing the work of constructing the
slips that are intended more par-
ticularly for those large steamers,
and that this work be done by
contract if reasonable bids can be
obtained for the same."

Senate bill 30, appeals to Su-
preme Court from demurrers, etc.,
and Senate bill 26, relating to
Schedule E, both passed second
reading.

In considering the Loan Appro-
priation Bill Minister Cooper pro-
posed the insertion and passage of
an item of \$25,000 for Nuanu
stream improvements.

The remainder of the morning
session was taken up with the
consideration of House bill 5,
amending the License Act.

The section relating to licenses
for the sale of beef where no
slaughtering is done was finally
amended to read: "The annual
fee for a license to sell beef in
each taxation district shall be ten
dollars."

Recess to 1:30 p. m.

Scalded to Death.

a 14 months old baby named
Affredo Tavarez, a Portuguese,
near the Queen's hospital yester-
day morning. While playing
about its mother in the kitchen
the child accidentally tipped over
a pot of coffee and received the
hot contents upon its body. Death
in great agony resulted a short
time after. Dr. Alvarez was called
in but the scalding was so severe
that medicines could do no good.
The child was buried in the
Catholic cemetery this morning.

THE HOUSE THIS MORNING

Merry Time Over Bill Relating to Circuit
Judges.

Senatorial Election Act Passes—Attorney Gen-
eral Smith Starts Ball Against Clothes
Sprinkling—Resolutions.

This is the fifty third day's sit-
ting.

Mr. Loebenstein introduced two
petitions for roads in Puna and
one for a school house at Pasa-
hau. The introducer stated that
the latter had been repeatedly
presented before the Department
of Education, but no attention
had ever been paid to it. At
present children from the neigh-
borhood were obliged to walk five
miles to school at Honokaa.

Mr. Richards read a petition
from residents and taxpayers of
Hilo, Puna and Hamakua, op-
posing House bill 58, "An Act
granting a franchise to construct,
maintain and operate an electric
or steam railway on the island of
Hawaii," for the reason that the bill
seeks to turn over to the Company
asking for the franchise the use
of all streets in the town of Hilo
as well as the use of all public
roads in the adjoining districts.
"This we submit," say the peti-
tioners, "by reason of the fact of
the narrowness of said streets and
roads, would be detrimental to the
public good and a menace to pub-
lic safety. We do not oppose the
granting of a franchise that will
not interfere with the present
streets and public roads."

Mr. Robertson introduced his
bill "relating to veterinary surgery,
medicine and dentistry."

Mr. Richards read the fol-
lowing: "Resolved, that an item be
inserted in the Appropriation bill
from current receipts to read as
follows: Hakalau Plantation Co.
for work on South Hilo roads in
July, August, October and De-
cember, 1897, and in January,
1898, \$3274.94."

Mr. McCandless read the fol-
lowing: "Resolved, that the sum
of \$500 be appropriated to mac-
adamize the Government road
from Moanalua to Pakahi, Kona,
island of Oahu."

Senate bill 3, election of Sena-
tors, passed final reading by unan-
imous vote.

House bill 68, disability of Cir-
cuit Judges, came up for final
reading and held the attention of
the House until noon, when it
passed by the following vote: Ay-
es—Isenberg, Richards, Gear,
Pogue, Robertson, Achi, Kahaule-
li, Wilder, Atkinson, McCand-
less and Kaai, 11. No—Loeben-
stein, 1.

Mr. Smith gave notice of and
read for the first an Act relating
to laundering and having special
reference to the Chinese method
of sprinkling clothes, as follows:

Section 1. It shall be unlaw-
ful for any person to eject water
or other fluid from his mouth up-
on any clothing, bed clothing,
napery, towels or other articles of
like character, in preparing the
same for ironing or pressing or in
ironing or pressing them.

wholesome and delicious.

Section 2. Any person so do-
ing shall be deemed guilty of an
offense and upon conviction there-
of shall be fined not exceeding ten
dollars; and upon conviction of a
subsequent offense shall be fined
not exceeding twenty dollars.

The bill passed first reading
and went to the Printing Com-
mittee.

At 12:10 the House adjourned.

FIRE IN DWELLING.

Harry Webb Has a Narrow Escape from
Being Burned Out of Home.

The residence of Harry Webb,
freight clerk at Oceanic wharf,
had a narrow escape from burn-
ing to the ground on Saturday
afternoon. Some of the children
were playing with matches in
one of the bedrooms, and acci-
dentally set fire to the bed. Soon
it was in a blaze and the frighten-
ed youngsters fled without giving
warning to the older folks, so that
it was only the smell of the smoke
that alarmed Mr. Webb. When
he discovered the cause the flames
had attacked the sides of the room,
the entire bed being a blazing
mass, and it was only after the
hardest work that the fire was put
out. Harry exhibits two badly
scorched hands, the palms full of
blisters, as the result of this little
experience.

Glee Club Concert.

The audience for the concert of
the Hawaiian Glee Club in the
Opera House Saturday night was
hardly as large as has been ex-
pected. Withal, the entertain-
ment was good and reflected ere-
dit upon the manager, W. J. Coel-
ho. Prof. H. Berger officiated as
musical director. Many of the
specialties were quite clever. The
singing of the Kawaihau Club was
a feature. Miss Kaoko was un-
fortunately unable to appear.

tired feeling by enriching and

Wiping Out a Church Debt.

A large and interesting meeting
of the members of the congrega-
tion of Kaunakapili church was
held yesterday morning. The
subject under discussion was the
extinguishment of the debt of
\$2900 upon the church property.
After a long debate a resolution
assessing each active member \$20
was passed.

Off for Omaha.

Martin Smith and H. P. Eakin,
the Cyclorama promoters, will sail
by the Zealandia tomorrow for
Omaha. They will have the big
Hawaiian show moved at once
from Boston to that place. Mr.
Shingle, who will have charge of
the Hawaiian Village at the Ex-
position, will get away by the next
Zealandia, May 17.

Music at Kamehameha.

The concert of the Kamehameha
Manual and Preparatory Schools
evening was pleasant and success-
ful. There was hardly standing
room left in the large hall. Some
of the specialties were very clever,
and were presented in fine style.
The hall was handsomely decorat-
ed with maile and potted plants.

Is Out Again.

George Clark, the football and
baseball player, is again at work
in the office of Hustace & Co. He
left the hospital last Friday. An
operation there was successfully
undergone. George is now in
fine health and will soon be ready
for the gridiron.

JUBILEE OF A SENATOR

Henry Waterhouse Has His Birthday
Celebrated By Friends.

Surprising Him on Arrival at Pearl City Station
They Strew His Path
With Flowers.

When Senator Waterhouse
boarded the train for his home on
the Peninsula on Saturday last,
he did not dream of the pilikia in
store for him. As the train dashed
along he feasted his eyes on the
beauties of Moanalua and the
restful green of the rice fields,
while in retrospection his mind
wandered over the span of fifty
years of life that had its beginning
on the 16th day of April, 1845.

It was when the train reached
the home station that his
troubles began. On the plat-
form waiting to greet him
were his universally esteemed
sister, Mrs. Rice, wife of his fellow
Senator, and the members, young
and old, of his family, accompa-
nied by all of his neighbors, to
greet him. Leiis, roses, margue-
rites and all the choicest exotics
that thrive upon this island were
cast at his feet, and showered
and dropped around, above and
beneath him. Then like the revered
and respected father of old, he
was dragged by merry and loving
hands to his home and the carn-
ival of love and respect began.

Bedecked with flowers he was
placed in the seat of honor at a
table where plates had been laid
for twenty of his neighbors,
friends and intimates who had
gathered in honor of the cele-
bration of his natal day. After
the viands came music, phonogra-
phic selections, duets and solos.
When the merry laughing crowd,
brimful of mirth, love and gentle-
ness to the honored man of the
hour, dispersed to their homes, he
was left happy and thankful be-
yond expression.

Mr. Peterson Asserts.

C. Peterson, the lookout at Dia-
mond Head, writes a note to this
paper contradicting Mr. Cassidy's
statement given in Friday's issue.
He declares that he did, since Mr.
Cassidy last took charge of the
telephone lines, complain of the
bad condition of the lookout tele-
phone. It was over the wires he
spoke, and he insists that the an-
swer came from Mr. Cassidy, say-
ing in effect: "The company gets
no pay for the Diamond Head
telephone, and I don't care whether
it is kept or not."

Police Court Today.

Kaakau pleaded guilty to the
charge of larceny in the second
degree and was sentenced by
Judge Peterson to imprisonment
at hard labor for 30 days.

Nine cases of drunkenness were
given the usual fine of \$2 and \$1.
Awana was arrested by David
Kaapa this morning for having
opium in possession. He had a
large pocket of opium.

W. Perry was reprimanded for
leaving his back on the stand.
